ACADEMIC CORNER

Bachelor of Divinity (BD) and Bachelor of Theology (BTh) Research Papers for 2014.

Unlike the Bachelor of Divinity program, the Bachelor of Theology research paper is not compulsory. However due to its importance as a pre-requisite for those continuing to postgraduate studies, students in the BTh program are given the opportunity to take on a research thesis and be introduced into explorative academic work early – even without completing a BD level paper.

Hence, in the last five years or so, there has always been at least a BTh candidate embracing this opportunity. For this year alone, ten BD students have completed their theses plus one BTh student, making it a total of 11 fourth year students doing research papers.

All these new and thought provoking theses are now bound and kept in the Malua Library. Below are the following students and titles of their theses.

Enoka Aperaamo (BD):

“A Case for Saul”, *Reading 1 Samuel 13:8-14 Against the Grain.*
